

TRACTION - DIFFERENTIALS

Harrop/Eaton Truetrac™

www.harrop.com.au

STRENGTH TO PUT THE POWER TO THE GROUND

- Smooth Operation
- Performs Open Until Needed
- Fully Automatic Limited Slip
- Torque Biasing Differential
- Maintenance Free
- Proven Harrop developed design withstands over 500rwkws

The Harrop/Eaton Truetrac was the first helical gear differential introduced into the automotive aftermarket as a Harrop brand. It remains the leading helical gear-type limited slip differential in the industry. The Harrop Truetrac's helical gear design eliminates the need for wearable parts, resulting in maintenance free traction recognized not only for its toughness but also its smooth and quiet operation.

Proven design and effective performance all make the Harrop TrueTrac limited slip differential the ideal choice for a wide variety of vehicle applications, both on and off road.
